

The Development House's main goal is to seek stories and scripts suitable for further development in co-operation with scriptwriting & script doctoring experts. Anybody interested in co-operating with us is most welcome.

We are looking for screenplays, ideas, and treatments, as well as young scriptwriters willing to co-operate and develop their professional careers. All promising scripts will be taken care of by the Development House.

Scripts shall be sent to: yeti@yetifilms.com

IMPORTANT

Together with your works please attach information mentioned below (to our knowledge):

1. Who has the rights to the script?
2. Who and when has seen the script?
3. Synopsis and logline
4. CV screenwriter
5. If the script is sent by a production company or a producer – company profile/producer's CV
6. A letter of intent from the author

Without the above attachments we will not be able to read your script.

If you have any questions, don't hesitate to contact us!
